

## AVANCHES SWEEP TWO TOWNS; HALF A HUNDRED DEAD

### PHILADELPHIA MAY BE TIED UP SOON

General Strike Is Called for Saturday Unless the Car Strike Is Ended.

### MAN KILLED IN RIOTS SUNDAY

Philadelphia, Pa., Feb. 28.—Despite rioting yesterday and last night, the transit company this morning opened its various lines with an increasing number of cars.

The idle Sunday throngs have once more been transformed into hard working citizens or are still resting from yesterday's exciting experiences, for very little trouble was had this morning in the operation of any of the lines.

More important than the ability of the company to operate cars is the probable effect of the sympathetic strike decided upon by the leaders of every labor organization in the city.

This morning's walkout of 90,000 men is scheduled for next Saturday unless the street car strike is amicably adjusted meantime.

The city is partner to the Rapid Transit company and the decision for a general strike is conditional upon the city making a bona fide effort to arbitrate the differences.

Yesterday's rioting resulted in the death of a man and a boy, the injury of two boys from bullets and the wounding of half a hundred persons from flying missiles and policemen's clubs. More than a hundred arrests were made.

A car was stalled at Lancaster avenue and 45th street this morning, one man was badly beaten by the police, and sent to a hospital.

Peace at Iron Mills.

South Bethlehem, Pa., Feb. 28.—Peace prevailed here today but the Bethlehem Steel company, whose 9000 employees are on a strike, was not able to resume work, only a small percentage of men reporting for duty.

Most of the men want to work, the officials say, but are afraid to run the gauntlet of the pickets.

### SCHOOL ELECTION COMES IN MAY

Four Vacancies to Be Filled. Tooley Insists on Resigning.

"There will be no meeting of the school board next Monday night," said John Harper, secretary of the school board this morning. "The regular meeting will be held on the second Monday."

When asked who would succeed W. L. Tooley, who has tendered his resignation and insists that it be accepted, Mr. Harper said: "I do not believe anyone would express an opinion regarding that at this time. Next May three of us go out of office, W. L. Tooley, Henry Weisich and myself and on account of the resignation of Mr. Tooley, there will be another vacancy to fill. It is too far away to say who will be the nominees for the office."

### COUPONS FOR CRAWFORD MATINEE

A Special Performance of "East Lynne" Wednesday—Ten Cents.

### COUPONS MUST BE CUT FROM HERALD

The Herald prints the first coupon today for the Wednesday matinee at the Crawford. This coupon and ten cents if brought to The Herald office Tuesday or Wednesday before curtain time at the Crawford, will secure an admission ticket for any member of "The Herald family," to see "East Lynne" at the Crawford theater Wednesday afternoon.

Persons who do not secure tickets with Herald coupons at The Herald office, will have to pay 20 cents admission.

"East Lynne" is a standard drama, always popular, and, as produced by the Bailey company, proved very pleasing to large audiences Sunday matinee and night. This Wednesday matinee is a new departure at the Crawford and, as many Herald readers, especially the women, find difficulty in getting away to attend the theater at night or for the Saturday and Sunday matinees, The Herald has made special arrangements for tickets for its readers. Coupons printed in The Herald today and tomorrow will be good for ten cents on the price of admission, if brought to this office and exchanged for tickets. Two Herald readers can go to the matinee for the price it will cost one person not a reader of The Herald.

In addition to the performance, there will be a special vaudeville program, including the Vaudevillians in barrel hopping, and Miss Fay Bainter in one of her dainty sketches, and after the show Mr. Bailey and Miss Grace Lockwood, the leading characters in the play, will hold a reception on the stage to the members of The Herald family. They will be pleased to meet every person attending the matinee, and it will be interesting to meet these charming people and know them as they are, after seeing them as someone else in the characters they assume on the stage.

Do not forget to save your Herald coupons and bring them to The Herald office to get your tickets. They are not good at the Crawford box office.

### COURT SMASHES LEA'S PRECEDENT

Robinson Fines Man Over 60 Years of Age—Criticizes Wisdom.

"When a man has reached the age of 60 years, he is privileged to get drunk once in awhile." This rule was set down by Tom Lea, judge of the corporation court, when he took office and consequently it has been his custom to dismiss all men over this age, arrested on the charge of being drunk.

So the men who have reached the age of three score years had best await the return of Judge Lea before starting out to celebrate.

Judge Lea was called to Kansas City Saturday night on account of the serious illness of his father.

John H. Porter, a negro 72 years of age, whose hair is streaked with gray, was fined \$3 in police court this morning, but assistant city attorney Volney M. Brown called the court's attention to the man's age and the fact that he had been in police court but once before, so older man Robinson dismissed him.

Washington, D. C., Feb. 28.—President Taft today nominated Alfred L. Sharpe to be collector of customs, at Paso Del Norte, Texas, for another term.

Mr. Sharpe has just completed a four year term with credit to himself and was endorsed for reappointment by the secretary of the treasury. He also had the endorsement of Cecil Lyon, state chairman of the Republican party in Texas.

Gen. B. J. Viljoen, who was first endorsed by the New Mexico Republicans for the place, withdrew Saturday. This left the other contestants for the office W. W. Cox from New Mexico, and C. A. Kinne, secretary of the El Paso chamber of commerce.

On receiving the news of his nomination this afternoon, collector Sharpe left at once for Washington, to consult the department on matters connected with the El Paso port.

### EVANGELIZE THE WORLD THE CRY

Laymen Plan to Bring the Whole Universe to Christ. Sessions in El Paso.

Today's session began this morning promptly at 10 o'clock, at the First Christian church, with about 75 delegates present and with a few visitors including women.

Rev. D. Clay Lilly occupied the chair. After the devotional exercises the program as outlined was carried out.

Rev. C. F. Reid, secretary of the department of the Pacific coast of the Methodist church, emphasized the necessity of prayer in the missionary enterprise and gave one of the strongest addresses of the convention. At the close of his address he was called upon to give the story of the Korean's prayer, which made a great impression on those present.

C. H. Pratt, field secretary of the movement in the southern Presbyterian church, spoke on "The Adequate Missionary Policy," and urged economy in the management of church finances, and the proper support of the movements which are well planned.

"The Organization Needed," in the local church was discussed by Mr. Williams, of Nashville, Tenn., in place of Rev. W. W. Pearson, D. D., the speaker assigned, who is sick. He urged in each church a committee of a size proportionate to the church's members, in which the most active church man be made chairman, and with a representation from the younger men, and in which the pastor and a member of the governing church board have places.

### GERMANY EXPECTING A WAR?

Examining All Citizens in United States as to Their Fitness for Duty.

Ft. Worth, Tex., Feb. 28.—Whether or not preparing for war with England, Germany is apparently serving notice on all her available citizens in the United States to report for examination to decide if they are still fit for military duty.

In view of the fact that this order was never before issued and considering the strained relations between both countries, this development is full of significance, and shows that Germany is getting all her forces lined up in case a conflict comes.

At least a hundred German citizens in Ft. Worth who failed to serve their allotted time in the German army have been called upon to submit to examination.

A number of unnaturalized citizens have also been requested to report to the German consul at Galveston for transportation to the fatherland.

Further investigation today developed the fact that a number of Englishmen here, though they belong to the British naval reserves, were ordered to report to the English consul at Galveston, and that they have gone there.

### BURGLARS GET MONEY FROM SHOE

F. Cavanaugh Reports Loss of \$100—J. B. Badger Loses Clothes.

F. Cavanaugh has reported to the police that burglars entered his rooms, at 804 Mesa avenue, early Sunday morning and robbed him of \$100 in money. Cavanaugh had secreted \$60 in the toe of his shoe when he retired, but awoke about 2 o'clock in the morning when a noise in the house aroused him. He investigated and found that burglars had entered the house by prying off the screen and opening the window. They took his trousers and coat into the parlor, rifled them and left the clothes behind, also securing the \$60 hidden in the shoe.

Badger Loses Clothes.

J. B. Badger has reported the loss of an overcoat and several "Stanton airplanes" from his room at 212 West Second street. Burglars entered the room Sunday night while he was away from home and took every clean shirt they could find as well as underclothing and the overcoat.

Wharton, Tex., Feb. 28.—News is received here today of a tragedy at Lane City, this county, where Saturday P. E. Kemper and brother shot and killed Mrs. F. E. Kemper, and seriously wounded their mother, Mrs. J. Kemper. The men mistook the women for burglars as they were entering the rear door, and, jumping from the bed, opened fire upon them with shotguns. The elder Mrs. Kemper may die.

### COUR D'ALENE REGION MOURNS LOSS OF MANY CAUGHT IN THE SLIDE

SNOW CAUSES ACCIDENT

Tons Of Earth, Stones and Snow Sweep Down Without Warning and Wipe Cottages and Their Occupants Off Hillsides Into Canyons and Frozen Water.

Spokane, Washington, Feb. 28.—Two enormous avalanches have carried death and destruction to the mining towns of the rich Couer d'Alene district in northern Idaho.

At 8:35 o'clock last night, a great snow slide struck the little town of Mace, burying 25 houses and their sleeping occupants in a mass of snow, ice and timber at the bottom of a canyon.

At 5:20 o'clock this morning another slide rushed down on the town of Burke, crushing a score of houses under a thousand tons of earth and snow.

Fourteen bodies have already been recovered from the ruins of Mace, and 16 have been found at Burke. It is feared 50 to 60 lives have been lost.

This morning 1000 men were working frantically in a raging blizzard to recover bodies. It is feared the loss of life at Burke is heavier than at Mace.

Physicians are being rushed from Wallace, while every man who can be spared has been appealed to to help in the rescue work.

### THIRTY-FIVE MEN IN ONE CAR.

From the foot of the Anchor mine to the Catholic church about half a mile, the slide is 20 feet deep. When the alarm spread throughout the mining camp of Burke that Mace had been destroyed, mothers, wives and children of the miners employed at the Hecla, Hercules, Anchor and the Tiger-Poorman mines began to seek places of safety. Children were hauled by mothers to the side hills on sleds; brothers literally dragged little sisters to places of safety, and when the avalanche tore down the hill and swept away the cabins in a shattered mass, the homes had been deserted by the women and children, while the bread providers were rescuing the injured at the stricken sister town.

### MOST UNEXPECTED.

Old timbers in the Couer d'Alene district have been sounding daily warnings to Mace, Burke and Black Bear that slides are imminent because of the record breaking depth of snow, but for 16 winters these towns have escaped devastating slides and no precautions have been taken.

Among the bodies recovered at Mace are I. H. Pascoe, superintendent of the Standard mine, and his son, Ira Pascoe. The body of section foreman Thompson, of the O. R. & N. company was found buried under a car in 10 feet of water in the frozen river.

### THIRTY-FIVE MEN IN ONE CAR.

Thirty-five Italians, sleeping in an outfit car on the Northern Pacific sliding were swept away in their car to the bottom of the canyon. They used their tools to dig themselves out and at 4 o'clock this morning all but one of them were accounted for.

Superintendent Pascoe and wife were asleep when their home was crushed like an egg shell. Mr. Pascoe, two sons and daughter were instantly killed but Mrs. Pascoe was rescued slightly injured.

### ARIZONA RESOUNDS WITH GREAT FLIGHTS MADE AT DOUGLAS PRAISES OF HAMILTON

Douglas, Ariz., Feb. 28.—All southern Arizona is resounding with the praises of aviator Charles K. Hamilton, who flew here Saturday and yesterday.

His glide drop on returning to the grounds after the first flight Sunday was intensely thrilling, and the great crowd broke into frantic cheering as he emerged from a cloud of dust and the slightly damaged machine. He accomplished here and at El Paso, for the first time flights in rare altitudes, as his height here reached nearly 5000 feet, while Paulhan failed at Denver and Salt Lake.

The first flight Sunday was 12 minutes. On his second flight he barely got above the fence getting away, on account of a change of wind, but soon rose to 250 feet and circled over the valley, cross over the park and crowd four times. He then sailed into Mexico and over the town of Douglas.

## UNITED STATES SENATE MUST ACCOUNT FOR ITS ACTIONS ACCOUNTABLE TO COURT

Washington, D. C., Feb. 28.—Justice Wright, in the supreme court of the District of Columbia today, decided that the court acted within its authority when it issued a writ of mandamus ordering the joint committee on printing of congress to show an excuse why it should not consider the bid of the Valley Paper company, of Holyoke, Mass.

This means that the senate members of the committee will be compelled to appear in court either in person or by counsel.
